Dear Families and Friends,

I hope everyone enjoyed their long weekend. Students seem to be refreshed, which is good to see before the exciting camps and excursions we have ahead of us in the next few weeks. On our end, staff updated their CPR skills on Monday and completed other planning work.

CANBERRA CAMP:

I would like to wish all the best to our Grade 5 and 6 students as well as the accompanying adults, Jacie Harbinson, Tania Pigdon, Hayley Anset and Mel Church. Thank you to all involved in the extensive preparations required for an interstate camp, including our staff as well as the coordinating school, Koondrook PS, with a special mention for Bernie Monaghan and Amanda Bradford. I expect everyone will have a wonderful time during this action-packed camp and I cannot wait to hear about the trip.

BUSH DANCE:

I would like to thank all the families involved in our Bush dance a couple of weeks ago. It is just such a joy to be able to hold events like this again, to the benefit of every family. The smiles on everyone's faces said it all. I would like to thank our Parents' Club, in particular Janelle Ladson and Hayley Anset who organised a successful BBQ fundraiser. Thank you also to Leah Cooke and Naomi Tatt who helped on the night.

CONGRATULATIONS JASPER:

Massive congratulations to Jasper who came 3rd in the State Final of the 200 metres in his age group. What an amazing achievement! Jasper also broke school, district and regional records in the lead up to this event. We are very proud of you, Jasper!

COLIBAN WATER WORKSHOPS:

Thank you to Kathryn Wilson for organising Coliban Water workshops that took place last week. John also presented students with their Coliban Water Drawing Competition prizes. Well done to Finn (3rd in the State Competition and Winner of the Regional prize), Charlotte (2nd in the Regional Competition- Foundation), Lily and Sophia (2nd and 3rd in the 3 / 4 section) and Zylee (3rd in the 5 / 6 section).

LITTLE ANGLERS KITS:

Our Grade 5 students received their Little Anglers kits today, as part of the Government's initiative to increase outdoor activity and connection with nature. I am sure our students will put them to good use. Some additional information has been given to the relevant families.
