Dear friends & families

BUSH DANCE EVENT TONIGHT, THURSDAY 26TH OCTOBER:

Thank you to the many families who have indicated they will be in attendance on Thursday night, with sausages in bread ready from 5.45pm thanks to our Parents' Club. A Bush Dance workshop for all our families to enjoy will begin at 6.30pm sharp. The evening might be a little fresh and windy so we will all need to rug up but I am sure we will warm up quickly with all the dancing!

SCHOOL REVIEW:

I would like to thank Wendy Larcombe (Reviewer), Paul Lacy (School Council President), Joe Summerhayes (Senior Education Improvement Leader), Brea Terris and Janene Thompson (Challenge Partners) for conducting our School Review over the last three weeks. I would like to thank students, staff and parents who were involved in this very thorough process. Wendy is currently preparing a report for the school and on our end, the process defined our goals for the next four years, some of which will translate into our 2024 Annual implementation Plan. Our students were fantastic ambassadors for our school and their high level of engagement, inclusivity and leadership were duly noted.

KINDER VISIT:

Thank you to the Leitchville Kinder who came and joined our Foundation class on Monday last week. Thank you to Kate McGillivray for organising another fun and engaging session for all.

WATER ROCKETS:

As I write these words, a high-quality STEM workshop is taking place on our oval, presented by the Victorian Space Education Centre (VSSEC). Thank you to Kathryn Wilson for organising these workshops for all our G3-6 students over the next two days and to Emma for delivering highly engaging workshops.

WORK EXPERIENCE STUDENT:

This week we have welcomed back Tahlia (a past student) who has been completing her work experience with us. I would like to wish Tahlia all the best and thank her for her contributions this week. Thank you to Kathryn Curry and other staff members for mentoring Tahlia this week.

A REMINDER OF OUR UPCOMING PUPIL FREE DAYS:

Please note that Monday, 6th of November will be a pupil-free day devoted to our CPR update and data analysis. Monday, 4th December will also be a pupil-free day for a common planning day for our staff.

Kind regards,

Valerie Lobry
